

## Enterprise Q Ltd – company history & biographies

### Company history

**Enterprise Q Ltd** is a UK-based Quartz fabricator headquartered in Manchester. It was established as the official UK distributor for GE Quartz in 1996 by Bob Haidinger.

Over the years, **Enterprise Q Ltd** has steadily expanded its capabilities in order to offer a full-scale Quartz fabrication service.

In 2003, **Enterprise Q Ltd** purchased a newly built industrial facility of 4,000 m<sup>2</sup> in order to enable the business to grow further.

**Enterprise Q Ltd** is a lean company which has built a solid reputation on its knowledge of the Quartz industry and on its excellence of customer service and reliability.
